

SAGE Science, Technology & Medicine Package

The SAGE **Science, Technology, & Medicine (STM) Package** provides electronic access to more than 329,000 articles across 368 journals, including leading international, peer-reviewed titles, many of which are ranked in the Thomson Scientific Journal citation Report®.

The Content: International in scope · Peer-reviewed · High-quality, interdisciplinary journal content

- **High impact** – nearly 60% of SAGE's journal content is ranked in the 2015 Journal Citation Reports (Thomson Reuters, 2016), including more than 54% within the top 2 quartiles of their subject category
- **Scholarly and professional** - research published in partnership with more than 350 key societies

The Access: Cutting edge · Mobile delivery – Discoverable

- **SAGE Journals** is moving! As of December 2016, **SAGE Journals** will be hosted on its new online platform
- **Mobile access** – all journal sites available in a mobile-optimized format
- **Discoverability** – consistent journal indexing ensuring high visibility of content

The Support: Interactive · Customer-focused

- **Customer support** – dedicated Account Representative Team to assist with inquiries, renewals of the SAGE products, and any questions specific to your institution account
- **Usage driving** – user guides, videos and live online training sessions highlighting the features and functionality, for librarians and end users
